1. This is the beginning of something new, something different, something good, something good, many in my sight becoming good in the new things I am doing and I am creating, creating, creating in the word of my mouth, creating with the word of my mouth, creating with the mouth of my word of which my body is, and who releases me now, receiving and releasing and rivering me now to the ends of the earth and beyond now come forth in the new things I am doing in ways never dreamed of, heretofore not possible not, for all was, and is, and now is and now was and now coming forth in the is that was, that wasn't became but now is again, in purity and crystal clear purity. See what I have said. I love you.

2. I come to/in Argentina, I come to/in London. I come to/in my body that now lets me rest, lets me river, rivers me, rivers my rest that brings forth my word to river and schools create and birthing forth the new thing I am doing, birth forth the new things I am doing in and with and through my body. Watch me. I love you. I love you. I love you.

3. I come to Washington. Watch me. Watch me overturn the tables of the moneychangers and bring forth worship pure in the once-pure who forgot/lost sight of pure/the pure and purity establishing, becoming, becoming/establishing and rivering forth my precepts not in love lost but love personified, me/my father/them/their father, one. I love you.

4. Watch me come to the capitols of the world, the stations that now river forth my word in the new things I am doing and education crumbles not with my name on/in it and letting my word forth but other does, that which without me tries to operate/fabricate/create in its own right, of which it has none, no standing, no being, and non-existent is. I love you seeing through all the fabrication of isn't to/and seeing the real, true, true-existent of me and you being who? My surrendered.

5. My surrendered is one. My surrendered is one. My surrendered is one and one now comes forth in oneship understanding one, understanding surrender, becoming surrender, becoming one, becoming one surrendered to one surrendered in surrender and coming forth in the nation's capitols of surrender. Watch me invert, demise, burn asunder the world's ways of representing me-n ot. All comes clear and watch me, I make all things new. I love you all.

6. The new things I am doing will cross all lines of demarcation-thought, with thought lining the marks of demarcation not. The lines of demarcation strengthen in only one area: not-me, and me. And that line is clearly drawn, has been, always has been, is, and coming clearer clearly for the all seeing all now as I open the eyes of the never-has-been-seen-and-realized before.

7. Watch me in the new things I am doing in the nation's capitols, the countries of the poor, affluent-thought, powerful-thought, poverty-ridden-thought, corruption-permeated; watch me. Watch what I do with the surrendered poverty-no-longer, the wealth'd that now only see me and who all operate in one as my kingdom. See what I have said.

8. I am coming anew. **I am coming newly and establishing beachheads not in remote places for the hoping-to-see me at some point future, I am establishing my kingdom by demising the sight of those who cannot/would not, see. I am letting sight be seen in/with my eyes, the real, the true, the that which is really and truly.** I love you.

9. That which is coming forth will shock the nations, it will shake the powers, the propositionalists that seek only to propagate and promulgate that which honors them. All shakes. All shakes. All shakes and all will shake and all will fall and who/what/which way they now fall, and rise, some, now depends on the decisions made, coming, that decide all not, that decide all for them. I love you.

10. The nations seek. The nations fall. The nations rise? The nation rises. Watch me. See what I have said.

11. Is Israel my covenant? Is my covenant Israel? And who/what is Israel/covenant? Watch me reveal all as all shakes and coming asunder control of darkness not, **Israel covenant of one emerges/knows all** and my people of surrender now lead in surrender to surrender to one be and see and know the kingdom of one and nations establish in my beachheads afar and near. Watch me. In ways never imagined. Those who let me through them, through them, in them; in them through them, me being them. And all known. Watch me. I love you all.

12. Those that seek my demise. I love you. You who loathe me. I love you. You who spit in my face and lash my lashes, I love you still. You are my redeemers still, if chosen, if in surrender you surrender in/to my love, in/to your priestship priesthood royal, still existent, awaiting your surrender/first estate. I will not/never relent. I love you all. My creation, I love you. You are me. Thank you. I love you.

13. All coming forth and all known and shake rattle and roll and watch the mountains move and who is standing on the mountain? Those surrendered, bowing, surrendering to surrendered-one, being the surrendered one, yea Psalm 110 ingest and eat, proclaim, forever. I love you.

14. You now my chair. I love you. Letting all sit in. I love you. Letting all see, know. Thank you. I love you. I give you me. You are. Who else? Only me. I love you.

15. I give you this day royal. Royaling others now you do, incessantly not, but *in strategy/strategic sessions with only me/Isaiah/Abraham and those who come from the north, south, east and west to meet and strategize not like man but in assembly, one, one-ize the strategic of one to one-ize the Priesthood of All Surrenderers.* I love you all. You are, priesthood of one. I give you me/all.

16. More, please? More, please. More today? More incessantly? Nay, more as you let, creating what I let, what you river, what I come forth now in the surrendered nations of all. Watching me not from afar, but letting my river flow, freely, revising nations, education, governments all. Watch me elevate the few not, the all who surrender. Watch me. I love you all.

I give you, me.

Amen

Kissed. Hugging, I hug and kiss and love my body through now in ways/times/events, fashion and form never seen in/by man; surrendered to/in surrendered. I love you. Watch me.

Amen
